S I R:

A Notice of Abandonment for the above-identified application was mailed on March 16, 2007, which indicated that this application was abandoned by failure to respond to the Final Rejection mailed April 26, 2006, setting a three (3) month period for response. However, the US Patent Office is in error in that an RCE in response to the Office Action was timely filed on July 20, 2006, and this RCE requested entrance of the response previously filed on June 26, 2006. Therefore, there was no abandonment in fact and the Notice of Abandonment has been mailed in error. In evidence of the timely filing of the response, enclosed herewith is a copy of the **RESPONSE** timely filed on July 20, 2006, together with a copy of the **stamped receipt** for this response showing that the response was timely filed.

In view of the fact that there was no abandonment in fact, withdrawing of the holding of abandonment pursuant to MPEP §711.03(c) and resumption of examination is requested. The Petition is filed without fee due to the USPTO error, and thus no fee is required.

Respectfully submitted,

Date: April 4, 2007
